HCHS FOUNDATION HOSTS 1ST ANNUAL GOLF TOURNAMENT

On August 14, the HCHS Foundation Board hosted their 1st annual charity golf tournament at the Alma Golf Course. 19 teams played and we had several sponsors that helped make everything possible! We were also able to give away a flag prize to both a male and female for every hole. The hole-in-one competitions drew in a lot of interest, however, no one ended up winning. At the end of the day, we successfully raised over \$9,000 that will go towards the debt of the new clinic! This is our largest and most money making fundraiser thus far. We are so appreciative of all of our volunteers, sponsors, and the teams that played that day. Without you, we would not have been able to accomplish what we did. Stay tuned for a save-the-date to next year's tournament!

FROM THE DESK OF
DR. PATRICK AUMAN
CHIEF EXECUTIVE OFFICER

Dear Team,

Last month's Board and County Supervisors meetings went well, which is always great. We also traded the FEMA trailer for a wheelchair accessible van. Senior Life Solutions will have access to the van, and it can also be used to pick up supplies, make lab deliveries, etc. This was a wonderful trade and I'm very pleased to be able to work so successfully with the County Supervisors. We've been able to build a great relationship over the last year and I look forward to what's to come with that.

We're also still working on recruiting more visiting specialists. I'm in the initial phase of hopefully getting an Orthopedic Surgeon and a Urologist from Hays Medical Center. I've also recently spoken with Diana Lind, whom is an Ophthalmologist in Kearney. These three additional specialties would be huge for our organization and we can definitely see an ongoing need for them in our community. Other great news from Outpatient is that we had 132 visits in the month of July, making our YTD revenue \$5.9M, which is \$1.8M over last year.

As you all know, Dr. Peterson will be leaving HCHS in the next few weeks. With that being said, we currently don't have a replacement for him yet, but we're working on it. We've been working with Kearney Regional Medical Center and now RuralMed, with hopes of recruiting a new physician soon. However, we most likely won't have someone here until after the first of the new year. Stay tuned for more on this.

Lastly, thank you all for your continued dedication to HCHS. We have come a long way from when I first started last year and I'm very proud of all of our accomplishments. Let's continue to push through and make this the best year yet!

Best Regards,
Dr. Patrick Auman

SEPTEMBER IS
SELF ♥ CARE
AWARENESS
MONTH

Self-Care Awareness Month in September is a time to remind us that taking care of ourselves, first and foremost, is essential. Self-care is often neglected in our everyday lives. We all tend to put others needs before our own and it is crucial to remember, that we cannot fill another's cup from our own empty vessel.
