MESSAGE FROM THE CEO

Hello!

I hope this update finds you well. As we move into the final months of 2023, I am very pleased with the accomplishments we've had throughout this year. One of our primary focuses has been physician recruitment, and I am thrilled that Dr. Dreher has recently joined our team at the clinic. Dr. Dreher brings some great experience, and we are confident that his presence will further strengthen our medical services.

Looking ahead to 2024, we are still actively exploring opportunities to expand our services and meet the evolving healthcare needs of our community. While specific details are still in the works, we are enthusiastic about the prospect of introducing new offerings. Rest assured, we will keep you updated as soon as we have more information to share.

In the spirit of fostering teamwork and camaraderie, I encourage everyone to attend the Husker tailgate party on November 4th! It will be a fun-filled event where we can relax, enjoy each other's company, and celebrate our achievements together. Additionally, I invite you to participate in one of the upcoming employee forums scheduled for November 8th. These forums provide an excellent opportunity for open dialogue, allowing us to address any concerns, share ideas, and collaborate on making our workplace even better.

I also want to take a moment to express my gratitude to all of you for your dedication and hard work. Your commitment to our organization has been instrumental in creating an exceptional environment for our patients and guests. Your efforts have truly made our healthcare facility a welcoming and caring place.

As we continue to grow and evolve, I am confident that with our collective efforts, we will achieve great success. Thank you for your ongoing dedication and hard work. Let's make the rest of 2023 and the coming year a period of even greater accomplishments and positive impact on the lives of those we serve.

Sincerely,

Stacy Neubauer, RN, MHA
Chief Executive Officer

The Hospital Auxiliary

A huge THANK YOU is in order for this amazing community of ours. Last month, the HCHS Auxiliary raised \$13,000 from their annual Fall Bazaar event!! We are absolutely blown away from the generosity and support that was received. We greatly appreciate all of you that were in attendance, those that sent donations or contributed in some fashion, and all of the ones who helped throughout the day and/or spent months working in preparation for this big day. We can't thank you enough and look forward to next year! Proceeds will be used to purchase patient lifts for the inpatient area.
