HCHS NOW OFFERING NURSING SCHOLARSHIP IN COORDINATION WITH BRYAN HEALTH FOUNDATION

Bryan FOUNDATION 

Nursing Scholarship Opportunity!

Receive up to \$3,500 Per Semester!

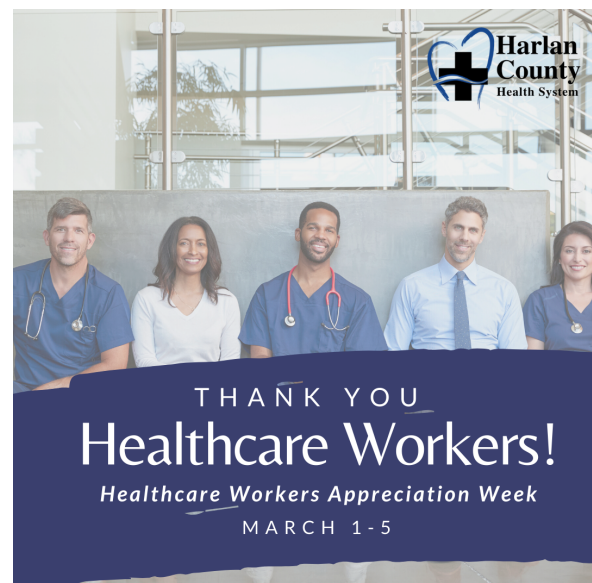

For more information, please call 308-928-2151

Apply Today!

Made possible through HCHS & Bryan Health Foundation

In hopes to acquire future nursing staff, HCHS has set up a nursing scholarship through the Bryan Health Foundation. To be eligible, applicants must permanently be located in either Harlan or Furnas County, maintain high GPA, and commit to a 3 year contract at the conclusion of graduation. The scholarship is \$3,500/semester if qualifications are continuously met.

Thank you to each and every one of you who plays a part in making our facility operate! You are all amazing at what you do and deserve some recognition for your hard work!

FROM THE DESK OF
DR. PATRICK AUMAN
CHIEF EXECUTIVE OFFICER

Dear HCHS Team,

By no surprise at all, the 2022 financials have continued to look great! All areas are doing well and seem promising for the remainder of the year. I'm very pleased with everyone's continued efforts!

This year we're also hoping to continue adding additional visiting specialists to our Outpatient services. We have several in the works and hope to get those on board within the next several months. We're currently looking into a wound care clinic, urology, ophthalmology, and possibly pediatrics. Our list of wants is continuously growing so hopefully we won't stop at just these services!

In regards to Human Resources, April Einspahr will act as our HR point-of-contact for the timing being until we find a solution to this issue. I can appreciate the inconvenience this has caused. Myself and others are already looking into other options at this point and hope to reach a solution soon. I appreciate your patience with this and I promise to better this for our organization.

Thank you for all for what you do to make our facility operate each day. As a small rural hospital, we would not be here without your dedication to our organization. Continue on with your hard work!

Best Regards,

Dr. Patrick Auman

HCHS FOUNDATION

The Foundation is currently working on some fun summer activities! We're planning to host a sand volleyball tournament again this year at Turkey Days in Oxford. We also have our 2nd annual golf scramble on August 13th and lots of other small events in between! Stay tuned for more details.

Upcoming Events:

1. Trivia Night - Date TBD
2. Sand Volleyball Tournament
@Turkey Days in Oxford
3. HCHS Foundation Scramble
August 13 - Alma Golf Course

Lots of fun activities coming up for the Foundation! We hope to see as many of you as possible at these events.

● EMPLOYEE SPOTLIGHT: *Janeice Imm*

- This month's employee spotlight is Janeice Imm! She has been a part of the HCHS team for 43 years now. She started out as a Nurses' Aide, then LPN, moved onto Case Manager, and is now a part of Risk Management. What she loves about her job is the feeling knowing you are able to help those in need, whether it be a patient or their families. She also loves that the staff will help each other out in anyway needed. Janeice has been a part of our Service Excellence team, she's been in the Auxiliary since she started working her in 1973, and is also involved other various activities (parades, health fairs, etc.). When she's not at work, she enjoys time at the lake, where her and her husband own a trailer at and spend much of their time during the summer. They also like to travel, attend concerts, and spend time with family, and attend their kids/grandkids/great grandkids activities in Alma and Waterloo. If she could choose any superpower, it'd be the power to slow down time. She cannot resist good chocolate and loves standing at concerts. She also loves traveling anywhere it's warm, has white sand, and blue water. We appreciate all of your hard work and dedication over the years, Janeice! We are so glad you've been a part of the team for all these years!

Jeanne has joined our team as the new
Cardiopulmonary Rehab Program Director and Sammi
is our new Outpatient RN. Welcome to the team!

HCHS REHAB

Dana sadly left our team, but Alicia
has recently joined and taken over
her duties as our new receptionist
and Dusty Frasier has agreed to a
full-time position with us here in
Alma! We've also been busy
seeing lots of patients each week,
and preparing for our annual agility
camp this summer.

NEW INPATIENT TVS INSTALLED

Last month, new TVs were
installed in 11 of the
inpatient rooms. They were
upgraded to 32 inch flat
screens, which were
graciously purchased by
the Auxiliary! Thank you to
that wonderful group of
ladies for always being so
considerate to our patients
& their needs.
